Translated Anglo Saxon Medieval Riddles from The Exter Book Riddles

<http://www2.kenyon.edu/AngloSaxonRiddles/>

I am man's treasure, taken from the woods,
Cliff-sides, hill-slopes, valleys, downs;
By day wings bear me in the buzzing air,
Slip me under a sheltering roof-sweet craft.
Soon a man bears me to a tub. Bathed,
I am binder and scourge of men, bring down
The young, ravage the old, sap strength.
Soon he discovers who wrestles with me
My fierce body-rush-I roll fools
Flush on the ground. Robbed of strength,
Reckless of speech, a man knows no power
Over hands, feet, mind. Who am I who bind
Men on middle-earth, blinding with rage
And such savage blows that dazed
Fools know my dark power by daylight?

I saw a creature with a strange belly
Huge and swollen, handled by a servant,
Hard-muscled and hand-strong, a mighty man
Who seized the creature, gripped it so
That the tooth of heaven began to blow
Out through its eye. It struggled and sang,
Bellowed from below, puffed up and passed out;
Yet it always arched up on air again.

This mother sustains the myriad creatures
Of middle-earth-the brightest, the best,
The darkest, the dearest--the children of men
May joyfully own or usefully rule
In this wide world. Without her children
We would not survive. How she mothers
And who she is remains a riddle. The wise
And worldly ought to know this creature's name.

Canton Business Meeting
