	Seneschal	
	Last week the officers met and decided to change our meeting date from the third Monday to the second Monday. This decision was made to align with the Baronial meetings. 		Renner St. John has volunteered to be the new A&S officer. Thank you! We will be scheduling Sunday A&S gatherings at Amira and Torquil's house. First up will be to decorate the canton pavilion and make cheese. Also, Rufus and Torquil are planning a Most Excellent Stool making day.
	Chatelain	
		Known World Chatelaines Symposium was a big success. (Mistress Suzanne de la Ferté was the co-steward.) There were 6 full tracks which will be available for continued viewing soon. The next KWCS will be in two years.
	Demo Deputy	
		We will continue to look for opportunities. We are looking at working with Griffins Heart (a veterans organization) , given that many of our members have close ties to the military. The group will pay Achbar for the Con Carolinas fee when that happens.
	Exchequeur	
		\$4,6249. Exchequer cautions that many small disbursments can add up quickly.
	Herald
